Judge's Critique

Mary was invited at very short notice to judge the Rough Collies at this show. Only two classes had dogs entered, and her critique of the class winners follows -

JUNIOR (1 entry, 0 absent)

1 Alcaro Centurion At Newruff

A 16 months old very well presented Sable dog, with pleasing bone structure. Correct length of stop, and good ear carriage when alert. Both walked and stood well when he wanted to. Slow to settle in the ring. Still hasn't got adult coat yet, but shows promise if he can adjust to ring conditions.

OPEN (1 entry, 0 absent)

1 Brimsan Shades Of Gold

A dog have not seen before. 4 years old, and an excellent example of a shaded Sable, with a fantastic coat in just the right condition – and superbly presented. Good structure and carriage off head. Moved effortlessly round the ring, even though he didn't appear to be very keen on the floor surface at this venue. A worthy Best Of Breed.
